THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON 7, ALBERTA

FEBRUARY 27, 1969

PAINTING BY C. W. JEFFERYS—IMPERIAL OIL COLLECTION

Alexander Mackenzie Hall, third in the residences trilogy, will be opened officially on Friday, February 28 at 2 pm. Professor A. A. RYAN will perform the opening ceremony, and Mrs. REG LISTER will unveil a plaque to her late husband. Our picture shows Mackenzie as he reached the Pacific Ocean, after an arduous trip overland from what is now Northern Alberta.

STUDENTS' COUNCIL ELECTED

On Friday, February 21, the Students' Union climaxed a turbulent week of electioneering with the election of its new executive. Despite the unprecedentedly large and vocal slate of candidates for President, the outcome of the election was predictable.

The Executive chosen at Friday's pools were David Leadbeater, President; Bob Hunka, Executive Vice-President; Elizabeth Law, Academic Vice-President; Dennis Fitzgerald, Treasurer; Wendy Brown, Secretary (by acclamation); and Dennis Crowe, Co-ordinator of Student Activities.

AASUA EXECUTIVE NAMED

The Association of the Academic Staff of The University of Alberta has announced its new Executive and Council. The executive positions have been filled by the following persons: President, W. E. SMITH, Professor of Genetics, until 1971; Vice-President, FRED D. COOK, Associate Professor of Soil Microbiology, until 1971; Secretary, GEORGE H. GIBB, Associate Professor and Head of Restorative Dentistry, until 1970; Treasurer, ALBERT S. KNOWLER, Chief Accountant, until 1970; Member at Large, GERALDINE M. FARMER, Associate Professor of Secondary Education, until 1970; Salary Committee Chairman, R. D. BERCOV, Associate Professor of Mathematics, until 1970 (in the absence of Dr. Bercov, who is on leave, DONALD G. FISHER, Associate Professor of Chemical and Petroleum Engineering, and JAMES G. MAC GREGOR, Associate Professor of Civil Engineering, will be acting Chairmen of the Salary Committee); Welfare Committee Chairman, BURKE M. BARKER, Assistant Professor of Law, until 1969; Government Committee Chairman, GRANT R. DAVY, Professor of Political Science, until 1970; and Past President, D. G. FISHER, Associate Professor of Chemical and Petroleum Engineering.

PARKING REGULATIONS CLARIFIED

D. G. TYNDALL, Vice-President for Finance and Administration, has issued the following notice regarding parking and the problems of enforcement of the Parking and Traffic Regulations.

Concern has been expressed by many members of the University community regarding the enforcement (or lack thereof) of the University's Revised Parking and Traffic Regulations during the fall months. It has therefore seemed desirable to offer the following explanation and to advise all concerned of present plans and procedures.

Enforcement of the new Parking and Traffic Regulations was put into effect gradually because it was appreciated that the imposition of new Regulations would result in some confusion and misunderstanding, and that, although the new Regulations were issued to departments, explained by letters and notices and given general publicity, it would be some time before interest and experience would make their provisions generally known.

Enforcement of the new Regulations commenced in October, 1968, with attention being paid at first to such offences as parking beside a hydrant or in "no parking" zones; then, progressively, through illegal parking in reserved stalls, reserved zones, loading zones, and meter violations. Until December 3, 1968, parking tickets were seldom issued except for offences about which complaints had been received.

During the period, 1 September, 1968 to 31 December, 1968, the Regulations and their effect on the use of space have been studied and adjustments made.

Sufficient time has now elapsed for members of the University community to become familiar with the regulations and to appreciate their intent. The Patrol Section of the Campus Security Force has been strengthened and some training innovations have been introduced. It is now our intent to check parking violations more closely and to issue tickets as appropriate. It is hoped that this will result in more effective use of space in the best interests of the total University community.

It may be useful to underscore certain facts

- (a) the fine for parking violations is \$5.
- (b) the fine for meter violations is \$1.
- (c) the fine for failing to affix permit

- stickers properly is \$2.
- (d) permits are not transferable from car to car.
 - (e) under no circumstances is it permissible to park in another person's reserved stall, beside a hydrant, in a loading zone, in a driveway or any other "no parking" area. Violators will be fined, and repeated violations may result in the cancellation of all parking privileges.

NEW FOOTBALL COACH NAMED

The University has appointed HARVEY SCOTT as Head Coach of The University of Alberta Golden Bears football team. Mr. Scott will replace CLARE DRAKE; his appointment is effective immediately.

Mr. Scott is experienced in every phase of football. From 1959 to 1961, he played with the University of Western Ontario Mustangs, and in 1960 was voted the most valuable player on the team and chosen for the Ontario-Quebec Athletic Association (O.Q.A.A.) All-Star Team. In 1961, he was elected captain of the Mustangs.

In 1962, Mr. Scott entered pro football as a guard with the Calgary Stampeders. He played with the B.C. Lions in 1963. He retired from playing after 1963 and began coaching. In 1965, he was assistant coach at the University of British Columbia, and from 1966 to 1968, he was head coach at Dalhousie University.

Mr. Scott received his B.A. from the University of Western Ontario in 1962, and his M.P.E. from the University of British Columbia in 1964.

STAFF ASSOCIATION FORMED

Branch 22 of the Civil Service Association of Alberta (CSA of A) will be replaced by the University of Alberta Non-Academic Staff Association Affiliated to the CSA of A. At the November convention of the CSA of A, approval was given to the affiliation. Constitution for the new association is currently being written, and registration under the Societies Act is expected to be completed before the General Meeting in April.

Under the proposed arrangement, the CSA of A will continue to collect membership dues until September, 1969, returning half of the money to the Non-Academic Staff Association. After September, the Non-Academic Staff Association will collect the \$1.75 monthly membership due, and will pay the CSA of A an affiliation fee of 25 cents per member per month.

The Non-Academic Staff Association will have a President, Vice-President, Treasurer, and Secretary. The Chairman of Branch 22, Phil Arnold of the Department of

Mechanical Engineering, will continue as President until the General Meeting, when a new Executive will be chosen.

Although registration under the Societies Act may require some adjustments, the Departmental Representatives, at their meeting on February 12, passed a resolution to transfer records and membership from Branch 22 to the Non-Academic Staff Association. Application cards are available from Room 335 of the General Services Building, and have been sent to non-members on the campus.

PEOPLE

IVAN L. HEAD, Professor of Law seconded to the federal government in 1968 to act as Legislative Assistant to Prime Minister Trudeau, has been appointed by the World Law fund to its North American Sponsoring and Policy Review Council. Dr. Head, who will be the only Canadian on the 23-member Council, will join such distinguished Americans as Justice Arthur J. Goldberg, former United States Secretary of Defense United Nations, and Robert S. MacNarmara, form United States Secretary of Defense and presently President of the International Bank for Reconstruction and Development.

JOHN A. JACOBS, Killam Memorial Professor of Science, attended an International Symposium on Phase Transformations and the Earth's Interior at Canberra, Australia from January 6 to 10, and the Third International Symposium on Equatorial Aeronomy at Ahmedabad, India from February 3 to 10. Dr. Jacobs also lectured at many universities in Australia, India, and England.

MANZOORUDDIN AHMED, Post-Doctoral Fellow and Visiting Lecturer in the Department of Political Science, has been invited to present a paper on "The Nature of Federal Crisis in Canada and Pakistan" at the conference of the Canadian Political Science Association to be held in Toronto in June. Dr. Ahmed will be Visiting Professor at the Southern Asian Institute of Columbia University during the 1969-70 fall semester.

ARTHUR W. BAILEY, Assistant Professor of Plant Science, presented two papers at the Annual Convention of the American Society of Range Management in Calgary from February 10 to 13. The titles of Dr. Bailey's papers were "The Aspen Parkland" and "Beneficial Effects of Silverberry (*Elacagnus commutata*) on Range Condition in Central Alberta."

DOUGLAS PARKER, Associate Professor of Secondary Education, has completed a series of in-service workshops for the British Columbia Teachers' Federation on the teaching of the new French audio-lingual program introduced in B.C. in the 1968-69 academic year.

JOSEPH M. KIRMAN, Associate Professor of Elementary Education, has been appointed by the Edmonton B'nai B'rith Hillel Advisory Council as faculty co-counsellor to the University of Alberta student Hillel organization.

JAMES B. LOMBARD, Assistant Professor of Elementary Education, conducted two workshops in art at the Annual Recreation Inter-Collegiate Conference in Banff on February 22 and 23. The conference draws students from Western Canada and the Northwestern United States.

MARSHALL A. NAY, Associate Professor of Secondary Education, addressed the North Central Convention Association on February 20. Dr. Nay's topic was "What is New in Junior High School Science?"

"Divertimento" for orchestra, by VIOLET ARCHER, Associate Professor of Music, will be performed on Tuesday, March 18, by the Owensboro, Kentucky Symphony, conducted by Neale Mason. "Divertimento for Brass Quintet," also by Miss Archer and commissioned by the Montreal Brass Quintet, has been purchased by the Robert King Music Company, the Minneapolis Brass Ensemble, Mississippi College, George Brinnal, Florida A & M University, and San Jos State College.

The guest speaker at the Unitarian Church of Edmonton on Sunday, March 2, will be RICHARD WEAVER, Assistant Professor of English. Mr. Weaver, who is a practicing Buddhist, will discuss Buddhism in the modern age, under the title "The Roar of Awakening." The Unitarian Church is located at 12530 - 110 Avenue, and services are held at 9:30 and 11:15 a.m.

STAFF APPOINTMENTS

The following appointments and resignations have been announced.

Appointments

BIOCHEMISTRY

A. R. MORGAN, Assistant Professor, as of July 1, 1969

BIOMEDICAL ENGINEERING

T. R. OVERTON, Associate Professor

BUSINESS POLICIES

M. N. EASTMAN, Assistant Professor, January 1, 1969

CHEMISTRY

S. HUZINAGA, Professor, as of March 1, 1969.

M. J. ROBINS, Assistant Professor, as of July 1, 1969

COMMUNITY MEDICINE

I. MAC INNES, Assistant Professor, as of January 1, 1969

DENTISTRY

P. D. A. OWENS, Assistant Professor,
as of April 1, 1969

ECONOMICS

* F. ROSEMAN, Associate Professor, as of
July 1, 1969

EDUCATIONAL FOUNDATIONS

R. DE FAVERI, Assistant Professor, as of July
1, 1969

N. KACH, Assistant Professor, as of July 1,
1969

EDUCATIONAL PSYCHOLOGY

J. MC LEISH, Professor, as of July 1, 1969

ELECTRICAL ENGINEERING

W. A. G. VOSS, Professor, as of January 1,
1969

ELEMENTARY EDUCATION

N. L. HERSOM, Associate Professor, as of
July 1, 1969

Mrs. J. E. KIRKPATRICK, Assistant Professor,
as of July 1, 1969

EXTENSION

J. A. SHAW, Associate Professor, as of
*August 1, 1969

GEOGRAPHY

I. MAC IVER, Assistant Professor, as of July 1,
*1969

U. M. BAGWE, Professional Officer, as of
December 1, 1968

INDUSTRIAL AND VOCATIONAL EDUCATION

L. KEIM, Associate Professor, as of July 1,
1969

INSTITUTIONAL RESEARCH AND SYSTEMS

R. A. MAC LEAN, Research Associate, as
of January 6, 1969

LIBRARY

F. C. STOLL, Education Librarian, as
of July 1, 1969

Mrs. S. MANWARING, Librarian, as of
December 1, 1968

MECHANICAL ENGINEERING

A. CRAGGS, Assistant Professor, as of January
2, 1969

J. D. DALE, Assistant Professor, as of July
1, 1969

MEDICINE

T. A. MC PHERSON, Assistant Professor,
as of January 1, 1969

NURSING

, MISS P. HAYES, Lecturer, as of July 1, 1969

PHARMACOLOGY

A. H. MAOWAD, Assistant Professor, as of
December 1, 1968

* D. M. PATON, Assistant Professor, as
of January 1, 1969

PHILOSOPHY

H. B. HINGERT, Associate Professor, as of
January 1, 1969

J. KING-FARLOW, Associate Professor,
as of January 1, 1969

PHYSICS (TRIUMF)

J. B. WARREN, Honorary Professor, as
of November 1, 1968

PHYSIOLOGY

S. C. BEILSON, Assistant Professor, as of
July 1, 1969

PLANT SCIENCE

K. G. BRIGGS, Assistant Professor, as of June
1, 1969

Z. P. KONDRAS, Assistant Professor, as of
July 1, 1969

PSYCHIATRY

J. D. EARP, Assistant Professor, as of January
1, 1969

PSYCHOLOGY

C. M. BOURASSA, Associate Professor, as of
March 1, 1969

ROMANCE LANGUAGES

R. A. YOUNG, Assistant Professor, as
of July 1, 1969

SECONDARY EDUCATION

K. G. JACKNICKE, Assistant Professor, as of
September 1, 1968

MISS H. J. KASS, Assistant Professor, as
of July 1, 1969

R. S. MORTLOCK, Assistant Professor, as of
July 1, 1969

SLAVONIC LANGUAGES AND LITERATURES

E. MOJEKO, Assistant Professor, as of July
1, 1969

Resignations**GEOLOGY**

A. J. BROSCOE, Associate Professor, as of
January 10, 1969

LIBRARY

MRS. A. FRANK, Librarian, as of December
22, 1968

J. SHUMELDA, Librarian, as of December 31,
1968

Miss A. S. TIPPIC, Librarian, as of
January 18, 1969

VISITORS

MURRAY J. FRASER, of the Department of
Biochemistry, McGill University, addressed the
Department of Biochemistry seminar on
February 25. Dr. Fraser's topic was
"Isolation of Ribosomal RNA and transfer
RNA Genes."

THOMAS E. HULL, Professor of Computer
Science, University of Toronto, spoke to
the Department of Computing Science
Colloquium and Association for Computer
Machinery meeting on February 21. His topic
was "The Effectiveness of Numerical
Methods for Solving Ordinary Differential
Equations."

HARRY POLLARD, Professor of Mathematical
Sciences, Purdue University, addressed the

Department of Mathematics Colloquium on
February 27. Dr. Pollard's topic was
"Non-Linear Tauberian Theorems and their
Applications to Gravitation Systems."
IAN BARRODALE, Professor of Mathematics at
the University of Victoria, was the speaker
at the Colloquium on February 27. His topic
was "On Computing Best L_1 Approximations."

NOTICES**RESEARCH GRANTS**

The Centre for the Study of Mental
Retardation, an interdisciplinary research
institute co-sponsored by the University and
the Canadian Association for the Mentally
Retarded, is inviting applications for research
grants from the academic staff. Research
in any of the scientific disciplines, provided
it is relevant to problems in mental
retardation, is eligible. Both individual and
collaborative research proposals are
appropriate.

Applicants are requested to submit research
proposals providing information under the
following headings: summary personal
data sheet; description of research project;
project budget; qualifications and experience.
Questions regarding applications for grants
should be addressed to D. R. CAMERON,
Director, Centre for the Study of Mental
Retardation, 751A, Education Building, local
4439. The closing date for applications
is March 31.

CANADIAN TEACHERS' TOUR

A Canadian Teachers' tour of East Africa
is being arranged by IAN ELGIE of the
Department of Sociology and Anthropology of
McMaster University. The tour group will
leave Toronto on a non-stop BOAC flight
for London, and will return via BOAC from
London to Toronto on July 31. The itinerary
includes visits to Uganda, Kenya,
Tanzania, and Zanzibar, with stops at
Murchison Falls National Park, Fort Portal
at the feet of the Ruwenzori Mountains,
the Mwadui Diamond Mine, Mount
Kilimanjaro, the Ngorongoro Crater, the
Massai-Amboseli Game Reserve, Mombasa
and Nairobi, and other places of historic and
natural interest. Travel will be by car, rail,
and launch.

The total cost for the tour is
\$1,998, including round trip air transportation
economy class from Toronto; meals; hotel
accommodation in double rooms; land
transportation; entrance fees to parks and
guide fees; and tips. Single rooms, and meals
while in London are not included.
Reservations may be made through Mr. IAN
ELGIE, c/o Department of Geography,
McMaster University, Hamilton, Ontario.

L. A. DESROCHERS of the Board of Governors cuts the ribbon officially opening The University of Alberta Engineering Centre I, Friday, February 21. Watching him are S. E. KENWORTHY, Deputy Minister of Public Works; and R. M. HARDY, Dean of Engineering, who presented a history of the Faculty of Engineering.

COMING EVENTS

COMPUTER LECTURE

On March 3, B. B. GOODFELLOW, Director of the IBM of Canada Laboratory at Don Mills, Ontario, and National President of the Informational Processing Society of Canada, will give a lecture and slide demonstration on "Advancements in Computer Hardware" (Fourth Generation Computers?). The lecture will be held at 7:30 p.m. in the Faculty Club, and will be preceded by a cocktail hour from 5 to 6 p.m. and dinner from 6 to 7:30 p.m. Those interested in attending the dinner are asked to contact Mrs. B. Florchyk at the Department of Computing Science, 432-3520.

STUDENT-STAFF SEMINAR

Classes on March 5 have been cancelled in all faculties and schools, except for those specifically excepted by the General Faculty Council, to enable the University to hold a seminar on "The Problems of the University." The Student-Faculty Committee organizing the seminar has supplied the following details about it:

9-9:30 am—Panel discussion organized on a faculty and school basis will be held.

These are to be very short introductions to the seminars which follow, and at the end of the discussion the people attending will pick up "seminar kits."

9:30 am—The audiences at the discussions will be divided into smaller groups and assigned to rooms in which the seminars will be conducted. In each seminar a secretary will take notes from which a general report can be written.

12-1 pm—Lunch

1:15-2:30 pm—Panel discussions on general university topics such as the multiuniversity, student power, the relevance of student government, and university organization and financing will be held.

2:30 pm—The audiences will again be divided into smaller groups to enable seminar discussions to take place.

The seminar kits will contain a schedule of the day's events, and a brief paragraph about all panels and speakers. They are designed to be controversial, in order to initiate discussion in the seminars.

After the seminar the committee will prepare a report for the General Faculty Council and the Students' Council.

The purpose of the seminar is to improve communication among university members—both student and faculty—and your support and attendance is welcome.

STUDENT COMPOSITIONS

On Sunday, March 2, CKUA Radio will present on its Sunday Fantasia series a program of original compositions by Bachelor of Music students from the composition class of Violet Archer, Associate Professor of Music.

STAFF CURLING

A faculty-staff curling bonspiel will be held during the spring break, March 7 and 8. There is an entry fee of \$12 for three events. Interested parties should contact JIM GALLAGHER, local 3678, before March 3.

PERSONAL NOTICES

Staff members may forward notices to reach the Editor by 9 a.m. the Friday prior to publication. They must be typed, and not exceed 35 words including heading. Advertisements received will be published at the Editor's discretion.

WANTED TO RENT—House or large apartment in the University area, from September 1 to April 30, 1969, by permanent staff member and wife. Contact J. Reynolds, local 4338 or 488-3132.

WANTED TO RENT—Four or five bedroom house close to the University, commencing August 1, 1969. Contact Dr. E. McCoy, Department of Pediatrics, University of Virginia School of Medicine, Charlottesville, Virginia, 22901.

FOR RENT—Three-bedroom house in Windsor Park. Large living room. Dining room. Den. Bathroom and two powder rooms. Heated garage. Furnished. Available from late June, 1969 to July 31, 1970. Contact J. G. MacGregor 433-1196.

FOR RENT—Furnished house in Rio Terrace. Three bedrooms. Finished basement. One-car garage. Available from May 15, 1969 to August 15, 1970. Contact Meir, 489-0836 after 6 p.m. or local 3815.

FOR RENT—Fairly new three-bedroom house; modern furniture; basement. Available for May, June, July, while owner is in Europe. Contact Dr. Maowad, local 4747, or 465-2464.
